What is the Track Trail?

Our track trail is a self guided trail for visitors to learn to identify the footprints of Wisconsin wildlife.

How does it work?

Tracks are painted on the orange loop of the boardwalk trail. Hike along the trail looking for the tracks.

Use the track trail brochure to identify each track based upon pictures in the brochure.

With a smartphone scan the QR Code for more information about each animal from the EEK! DNR website: http://dnr.wi.gov/org/caer/ce/EEK/critter/index.htm

Our Mission—

The mission of HWR is to enhance, restore, and preserve the Reserve and educate all people in the importance of conserving our natural resources while promoting the Reserve’s many recreational opportunities.

HWR is a 501(c)(3) nonprofit organization
