

Eco-Explorers Amazing Heckrodt Survivor Challenge is a program developed especially for youth entering 7th -8th grade. This HIGHLY ACTIVE camp will challenge the participants in many ways. This session will involve orienteering, GPS, teambuilding, and outdoor survivor skills, in an "Amazing Race/ Survivor format." However, unlike in these game shows, the youth will be continuously working together in groups completing and solving a variety of outdoor challenges- **No one will be voted out/off.** We will be battling the elements, solving challenges, rock climbing, biking, and creating experiences that will last a lifetime. "The Tribe has Spoken...and they want YOU!"

Snacks will be provided for this program, but youth must bring a bag lunch each of the 3 days of summer camp.

The program fee is \$80.00 per individual and covers all materials including the climbing experience at Xtreme Air in Appleton.
